

Homework: Requirements Statement

- A laboratory has several chemists who work on one or more projects.
- Chemists also may use certain kinds of equipment on each project.
- ☐ The organization wishes to record assignDate that is, the date when a given equipment item was assigned to a particular chemist working on a specified project as well as total Hours, that is, the total number of hours the chemist has used the equipment for the project.
- ☐ The organization also wants to track the usage of each type of equipment by a chemist. It does so by computing the average number of hours the chemist has used that equipment on all assigned projects.
